

Modulbeschreibungsraster gemäß RStPO (Englische Fassung)

Module Name	AWE Fach - Art and Architecture in Berlin
Module Coordinator	Prof. Dr. Dorothee Haffner Dr. Tobias D. Geissmann (delivery)
Semester	Summer and Winter
Duration	One Semester
Status	Extracurricular Subject
Module Frequency	Every Semester
ECTS Credits	2
Taught Contact Time (weekly hours per semester)	2 Hours Contact Time per Week (2 SWS) Delivered usually on Fridays.
Learning Outcomes and Competences	This practical subject introduces students to various fields and styles of Berlin art and architecture. In the course of this seminar several museums and sites in Berlin are visited. The students acquire knowledge of the terminology of history of art and architecture in direct contact with the artworks and buildings on-site. Furthermore, they learn how to identify and differentiate styles in fine arts and architecture.
Level	English at a B2 level. A number of 3 successfully completed semesters is also required to enroll onto this course (it is not suitable for first-year-students).
Obligatory Prerequisite Modules	None
Recommended Prerequisite Modules	„Making a Presentation" module or workshop from home university for Incoming Students. Introduction to academic research (e.g. in Museum Studies "B3").
Examination Type	Each student is expected to give a presentation (of about 15 minutes) on an artwork or a building. A handout containing the presentation's summary as well as a bibliography must be handed in at the presentation's day. At the end of term students have to take a written exam.
Examination Grading	Assessed on a grade scale (1 – 6).
Associated Units	None
Module Applicability	None
Recognised Modules	None
Further Information	After the introductory lesson with a presentation on „Berlin – Art and Architecture" students are assigned to the presentations' topics. The following teaching-units take place in different museums or sites. Since the group can only enter museums all at once, it is essential for the course participants to be arriving on time.
